

Curriculum vitae Albrecht Freudewald, M. Sc.

About me

After graduating from high school, Albrecht Freudewald trained as a paramedic. This was followed by a voluntary social year and an internship in a hotel and conference centre as well as work as a fitter. He completed both his Bachelor's degree in psychology and his Master's degree (specialising in psychology in work, education and society) at the Friedrich Schiller University in Jena. During his Master's studies, he was a research assistant at the Chair of School Pedagogy and School Development and at the Chair of Educational Psychology. In addition to his Master's studies, he also worked as a babysitter.

Since September 2022, he has been employed as a research assistant in the research project "Forschungsprojekt Psychosozialen Notfallversorgung in Unternehmen" (psychosocial emergency care in companies) at SRH Gera.
